APPLICATION - *TECHNOLOGY PRODUCT DEVELOPMENT TRAINING*

Tell us a little bit about you.
What is your tech product/idea?
What need does it solve in the marketplace?
Explain your product's commercial potential. How is it scalable? *creates an incrementally wide audience or translates to other marketplaces or industries*
Have you already established a company around the product? *provide info (website etc.)*
How far along are you in developing your product?
What do you need to complete your product?
Are you willing to spend at least one day per week at BASEcamp?
Are you willing to office-share with another project? *if you don't already have an office at BASEcamp; or if you use office 1-2x per week*
Why should we choose you/your product/idea?
