From the Director

Spring is upon us! While Charleston is a terrific place year-round, spring is special and invites you to partake in several world-class, outdoor events including the annual [Cooper River Bridge Run](#), [Volvo Tennis Open](#), [High Water Festival](#), [iFiveK](#) and much more.

Against this great backdrop, Charleston's tech community continues to thrive. At the CDC, we measure success through four pillars - [community](#) engagement, [talent](#) development, tech-focused [office options](#) and [capital investment](#).....all trending up, according to the numerous [national publications](#).

COMMUNITY

12th Annual iFiveK

It came a month early and was yet another successful event! A BIG thank you to all of our iFiveK [sponsors](#), especially title sponsor, [Charleston County Economic Development](#), partners, participants and volunteers for making the 12th annual [iFiveK](#) a memorable race. Checkout these [pictures](#) for a glimpse into the event. We look forward to seeing everyone at the start line in 2019!

Leadership Profile Series

Charleston's tech leadership is growing. For some terrific insights, catch our monthly profile series, which currently features [Sovi's Trey Pringle](#) and [TalkTools' Luke Blessinger](#) with [Waitlist Me's Brian Hutchins](#) up next.

Fridays @ the Corridor

Have you heard of [React Native](#)? If not, you may want to familiarize yourself. React has quickly become the standard framework to building progressive web applications. Learn the process of building a simple react native application at the April Fridays @ the Corridor.

If you have not been to a [Fridays @ the Corridor](#) session, the nuggets of information that can be gleaned from our speakers will be helpful with starting and running your business. Heck, you can even watch our [library of videos](#), thanks to our partner, [Charleston County Economic Development](#).

TALENT

CharlestonWorks

We've simplified [CharlestonWorks](#) while adding some functionality. Our latest feature allows you to post job links to open positions in your company at a cost of \$5 for 30 days. Be sure to get more eyes on your open position and [post your job](#) today! There is more to come.

CODEcamp Kids - Summer Camp

The Charleston Digital Corridor is once again pleased to host middle school kids this summer for our [CODEcamp Kids](#) CS Upstart program, a week-long, half-day camp designed to promote an interest in computer science and tech careers while expanding on the core STEM concepts from their other classes throughout the school year. You can learn more and sign up your kids [HERE](#).

SPACES

Flagships

The [Flagships](#) continue to be the [go-to place](#) for early-stage tech companies in Charleston. Several of our recent companies have grown and graduated so we have a few spots open for tech startups. Visit our [website](#) to check availability or [ping](#) us for a tour and pricing.

Speaking of Flagships, after some delay, the development of [Flagship3](#) is officially underway with the selection of the development team. The first insight into this 70,000+ building and accompanying 800+ space garage will come this May with our Board of Architectural Review submission.

CAPITAL

Capital Update

Charleston's tech companies continue to raise capital to drive growth. To date, companies in residence at the Flagships and our graduates have raised over \$218 million.

Did You Know?

[The Brookings Institution](#) ranked Charleston #13 among US metros for high-growth.

Thanks to Our Partners

The [Charleston Free Wi-Fi](#) initiative was launched in February 2012. With the first deployment at Marion Square, there are now 11 parks in the Charleston area to keep you connected, wherever you go.

Thank you for your continued support of the Charleston Digital Corridor. Our success is a reflection of our terrific engagement and collaboration. Continued success!!
