Online Poll Results

Do you think technology interferes with or enhances our daily lives?

Should we have internet censorship?

Have a poll suggestion? [Let us know >](#)

From the Director

Spring already? That could only mean one thing...our annual [iFiveK](#) is around the corner. Literally, next Thursday. With just 25 tickets remaining, you may want to [snag one](#) just in case you have procrastinated! We are most thankful for our sponsors for the iFiveK race, as proceeds benefit our education-related programming and will soon also support underserved entrepreneurs at the [Charleston Tech Center](#).

Staff Updates

The Charleston Digital Corridor is pleased to welcome Sydney Crumley to our team as the Community Engagement Coordinator. Sydney graduated from the University of Georgia with a Bachelors in Journalism and Mass Communication with an emphasis in Advertising.

Sydney is responsible for assisting with implementation of the Digital Corridor's marketing strategy, while developing a relationship with our member companies to further understand and assist them with their needs.

Welcome New Members

The Digital Corridor is pleased to welcome the following new member companies. Our members receive a set of tailored benefits while supporting us with fulfilling our mission to build a high-wage diverse economy in the Charleston Region.

Bridge Commercial

INVESTOR

Bridge is a regionally-focused commercial real estate firm headquartered in Charleston, SC. Bridge offers a variety of services including tenant representation, owner representation, investment sales, strategic planning and site selection.

Iron Bridge Capital Partners

INVESTOR

Iron Bridge Capital Partners is a private equity real estate investment and development company headquartered in Charleston, South Carolina.

Fracta

COMPANY

Fracta is using AI, specifically Machine Learning, to assess the Business Risk Exposure (BRE) associated with aging drinking water distribution mains and to recommend capital efficient projects to mitigate risk.

Scientific Research Corporation

COMPANY

Scientific Research Corporation was founded in 1988 to provide innovative solutions to the U.S. Government, private industry, and international markets. Since its inception, SRC has continued to successfully meet emerging challenges in the marketplace and consistently deliver the highest quality products and technical services to its customers.

Galois

COMPANY

Galois develops technology to guarantee the trustworthiness of systems where failure is unacceptable. We apply cutting edge computer science and mathematics to advance the state of the art in software and hardware trustworthiness.

STEM Premier

COMPANY

STEM Premier assists all levels of STEM talent in identifying career pathways, educators in recruiting top talent to their schools, and employers in developing a stable, continuous talent pipeline.

News & Notes

COMMUNITY

2019 iFiveK

The 2019 iFiveK, brought to you by our title sponsor, [Charleston County Economic Development](#), is on **April 4th** at Riverfront Park in North Charleston. This race is a favorite run and networking event for Charleston's tech professionals. Proceeds from the iFiveK support the [Charleston Digital Corridor's](#) talent strategy. Get your tickets [HERE](#).

Fridays @ the Corridor

At the April Fridays @ the Corridor, [Bobby Schuchert](#), Director of Mobile and Emerging Technology at [AutoNation](#), will provide some insight into the world of mobile and why an effective mobile strategy is key to growing revenue.

If you have not been to a [Fridays @ the Corridor](#) session, the nuggets of information that can be gleaned from our speakers is helpful with starting and growing your business. Can't make it? Watch our [library of videos](#), thanks to our partner, [Charleston County Economic Development](#).

If you're interested in presenting at one of our Fridays events, please [let us know](#).

Leadership Profile Series

Charleston's tech leadership is growing. For some terrific insights, catch our monthly profile series, which currently features [AnnMarie Fini](#) of [Benefitfocus](#), [Keith Meany](#) of [Skubot](#) and [Bobby Schuchert](#) of [AutoNation](#).

TALENT

CODEcamp Kids - CS Upstart Summer Camp

Back by popular demand, the CDC is hosting an expanded (three) week-long CODEcamp Kids - CS Upstart Summer Camp sessions at the Flagship - Bridge this July. Offerings include:

- [Robotics and Hardware Programming](#)
- [Intro to Web Development](#)
- [Intro to App Development](#)

Scholarships are available for under-represented students- please [email us](#) to apply.

SPACES

Flagship - Bridge

We are well settled into our temporary home at 385 Meeting Street. [The Flagship - Bridge](#) serves as our interim location until the Charleston Tech Center is ready for occupancy. With 22 private offices, we are glad to have all residents under one roof. Stop by for a tour or to co-work for the day.

Charleston Tech Center

With ground-breaking planned for late spring, we are excited to see the vision for the [Charleston Tech Center](#) come to fruition. Flagship3 will anchor the CTC, a building being developed to support tech start-ups, growth-stage companies and corporate expansions/relocations.

CAPITAL

Capital Update

Charleston's tech companies continue to raise capital to drive growth. To date, Flagship companies in residence and graduates have raised over \$250 million. In 2019, the CDC will place more focus on private capital resources for tech companies in the Charleston region.

Did You Know?

The Charleston-North Charleston metropolitan area ranks #16 on the 2018 [Milken Institute Best-Performing Large Cities Index](#), a ranking of U.S. metropolitan areas by how well they are creating and sustaining jobs and economic growth.

The ranking is 5 spots higher than the ranking of #22 in 2017.

Thanks to Our Partners

Now that "winter" is over in Charleston, be sure to take advantage of the [12 parks](#) around the Charleston area that we provide free WiFi to.

Thank you for your continued support of the Charleston Digital Corridor. Our success is a reflection of our terrific engagement and collaboration. Continued success!!
