From the Director

After many years of perseverance and overcoming what seemed like some insurmountable obstacles at times, the development of the [Charleston Tech Center](#) is underway. This building of modern architecture will ignite the re-development of a dense, urban, tech-centric *Innovation District*, while positioning the Digital Corridor to serve an expanded base of tech companies ranging from start-ups to established businesses through a broader offering of business, professional and education services.

Truth be told, when things got especially difficult, I would remember the [advice](#) of my favorite business leader, Steve Jobs, and plow ahead. Persevere on and you will find success.

Welcome New Members

The Digital Corridor is pleased to welcome the following new member companies. Our members receive a set of tailored benefits while supporting us with fulfilling our mission to build a high-wage diverse economy in the Charleston Region.

News & Notes

COMMUNITY

2019 iFiveK

The 2019 [iFiveK](#) was our most successful race to date. With proceeds going towards the CDC's talent strategy, we are able to award **seven** scholarships for the upcoming [CODEcamp Kids](#) Summer Camp to under-represented children in the tri-county area. Classes include [Robotics and Hardware Programming](#) and [Intro to Web Development](#).

Thanks to all who participated in the race and we look forward to seeing you next year!

Member Spotlight

The Digital Corridor has launched [Member Spotlight](#). This bi-weekly social media post features [CDC members](#) with a goal to provide a stronger understanding of Charleston's tech community, one company at a time. Check out our most recent spotlights featuring [eGroup](#), [Benefitfocus](#), [Ceterus](#), and [Atlati Software](#) on [Facebook](#), [Twitter](#), and [Instagram](#).

Fridays @ the Corridor

At the July Fridays @ the Corridor, we will hear from a few Charleston entrepreneurs who are working on bettering the technology industry.

If you have not been to a [Fridays @ the Corridor](#) session, the nuggets of information that can be gleaned from our speakers is helpful with starting and growing your business. Can't make it? Watch our [library of videos](#), thanks to our partner, [Charleston County Economic Development](#).

If you have knowledge that may be of interest to our tech-focused audience and interested in sharing the same at one of our Fridays events, please [let us know](#).

Leadership Profile Series

Charleston's tech leadership is growing. For some terrific insights, catch our monthly profile series, which currently features [Emily Dalton](#) of [Omatic Software](#), [Annmarie Fini](#) of [Benefitfocus](#) and [Keith Meany](#) of [Skubot](#). Our Leadership Profile series is brought to you by [Charleston Southern University](#).

TALENT

CODEcamp Kids - CS Upstart Summer Camp

Back by popular demand, the CDC is hosting three, week-long [CODEcamp Kids - CS Upstart](#) summer camp sessions at the [Flagship - Bridge](#) in July. Offerings include:

- [Robotics and Hardware Programming](#)
- [Intro to Web Development](#)

Scholarships are available for under-represented students; please [email us](#) to apply.

SPACES

Flagship - WestEdge

The Digital Corridor is pleased to announce a partnership with the [City of Charleston](#) to manage 8,000 square feet of professional office space targeted to life sciences and tech companies. To reserve an office or learn more about this new Class A professional office space dubbed [Flagship - WestEdge](#), click [here](#).

Speaking of Flagship - WestEdge, we are looking to hire a [Program Coordinator](#). If you or anyone you know might be interested, please [let us know](#).

Charleston Tech Center

Well, it's official! The [Charleston Tech Center](#) groundbreaking ceremony will be held on **July 16th at 10:30am**. The CDC will anchor the building with [Flagship3](#) (FS3) taking the entire second floor. This six-floor, 92,000 square foot building is being developed to support tech start-ups, growth-stage companies and corporate expansions/relocations.

CAPITAL

Capital Update

Charleston's tech companies continue to raise capital to drive growth. To date, Flagship companies in residence and graduates have raised over \$250 million.

Entrepreneurs seeking to raise money have a new resource to fund growth, [Venture Atlanta](#), the largest venture capital event in the Southeast. The leadership team is excited to expand their geographic reach and would highly encourage companies from the Charleston region to apply for this fantastic opportunity. The deadline to apply is Friday, August 2nd.

To apply, simply complete their online application and upload a one page executive summary in their template format at [www.ventureatlanta.org](#). It is completely free to apply and if you are accepted into the conference, it's free to present. We hope to see several Charleston companies represented this year.

Did You Know?

South Carolina ranks 6th best in gender equality in the tech industry, according to [CompTIA](#).

Thanks to Our Partners

The [Flagship - Bridge](#) has two conference rooms that are available to rent by our members and other tech-related companies. To inquire, please email info@charlestondigitalcorridor.com.

Thank you for your continued support of the Charleston Digital Corridor. Our success is a reflection of our terrific engagement and collaboration. Continued success!!
