## Online Poll Results

How many chat apps do you use?

Would you buy a pen that could record meetings and write down notes for you with voice-detecting technology so it writes down who says what?

Have a poll suggestion? [Let us know >](#)

## From the Director

What's next? Now that two major pieces of business infrastructure ([Flagship-WestEdge](#) and [FS3 at the Charleston Tech Center](#)) are successfully underway, our attention has turned to all the programming being undertaken by the Digital Corridor. Our goal is simple - Make everything better. Why? Because that's how we roll. Stay tuned as we launch some key initiatives to further support education and under represented entrepreneurs.

## Staff Updates

The Charleston Digital Corridor is pleased to welcome [Eileen Burkhardt](#) to the team as the Program Coordinator. Eileen supports the CDC's growth with a focus on programming, process optimization and membership cultivation. She brings a background in nonprofit management, amazing customer service and community outreach.

## Welcome New Members & Investors

The Digital Corridor is pleased to welcome the following new member companies and investors. Our members receive a set of tailored benefits while supporting us with fulfilling our mission to build a high-wage diverse economy in the Charleston Region. We would love for you to [support us](#) too!

### Harvey Glick ADVOCATE

Harvey Glick is a board member of Hollings Cancer Center Advisory Board at MUSC, and Investor representative Advisory Board member of Rollbicycles.com, and the Chairman of the Board at First Capital Bancshares.

### LASSO COMPANY

LASSO is an enterprise class, end-to-end workforce management platform and marketplace that helps event and entertainment companies organize, schedule, track, communicate with, and manage their project-based mobile talent.

### PlanSource COMPANY

PlanSource provides a new way to buy, sell and manage benefits in the cloud. Consumers use PlanSource technology to shop and enroll in a variety of benefits, including medical, dental, life, disability, worksite benefits, HSAs and even work/life benefits such as identity theft protection.

### Robert Garcia ADVOCATE

Robert Garcia is a Board Advisor and Equity Partner at Catalyst Capital Holdings and an Advisory Board Member at FocalPointe Group.

### SentinelWorks COMPANY

SentinelWorks is dedicated to the creation, development and implementation of Building Energy Management Systems to facilitate the management of energy consumption.

### Ted Behling ADVOCATE

Ted Behling is a Systems Engineer working remotely for GitHub.

### The Cistern Companies COMPANY

The Cistern Companies is a business development company incorporating hospitality, real estate, technology and entrepreneurship with a bucket of good. The Cistern Companies is the parent company of TvOS, Leppaluodi, Squirrel Brain and Accommodate.

### Tim Wise ADVOCATE

Tim Wise is Co-Founder and Co-CEO of Advocate, a company that helps IT leaders do what matters more by shifting from a cost center to a strategic partner.

### Vital Pivot COMPANY

Vital Pivot enables mid-market companies to gain a deeper insight to compete via our data analytics, business intelligence, application design and data strategy solutions.

### Wander Off COMPANY

Wander Off is a travel booking website, integrated with social networking, offering search options, and conveniences, not available in the current marketplace.

### Wired Island COMPANY

Wired Island is a specialized PR and digital marketing agency for global B2B tech innovators.

### Zeriscope Systems COMPANY

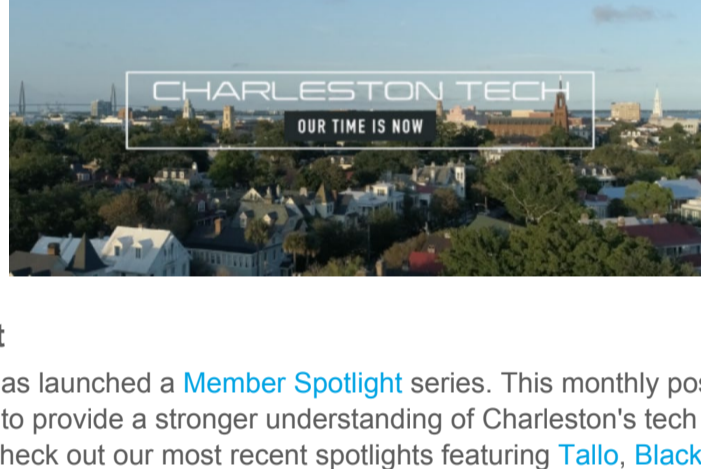

Zeriscope Systems is an information technology start-up seeded and supported by Medical University of South Carolina's, Foundation for Research and Development.

## COMMUNITY

### Charleston Tech - Our Time is Now

We are pleased to announce that the [Charleston Tech - Our Time is Now](#) video has won an award at the 2019 [Southern Economic Development Conference](#). This video, produced in partnership with [Charleston County Economic Development](#), took home a Special Judges Award for Talent Attraction.

### Member Spotlight

The Digital Corridor has launched a [Member Spotlight](#) series. This monthly post features [CDC members](#) with a goal to provide a stronger understanding of Charleston's tech community, one company at a time. Check out our most recent spotlights featuring [Tallo](#), [Blackbaud](#), and [Heatworks](#) on our site and on [Facebook](#), [Twitter](#), and [Instagram](#).

### Fridays @ the Corridor

At the October Fridays @ the Corridor, we will learn about "Driving Productivity Through Remote Teams", whether it's working remote or building remote teams.

If you have not been to a [Fridays @ the Corridor](#) session, the nuggets of information that can be gleaned from our speakers is helpful with starting and growing your business. Can't make it? Watch our [library of videos](#), thanks to our partner, [Charleston County Economic Development](#).

If you have knowledge that may be of interest to our tech-focused audience and interested in sharing the same at one of our Fridays events, please [let us know](#).

### Leadership Profile Series

Charleston's tech leadership is growing. For some terrific insights, catch our monthly profile series, which currently features [Nancy Sansom](#) of [PlanSource](#), [Sean Flood](#) of [Gotcha](#), and [James Ward](#) of [Scientific Research Corporation](#).

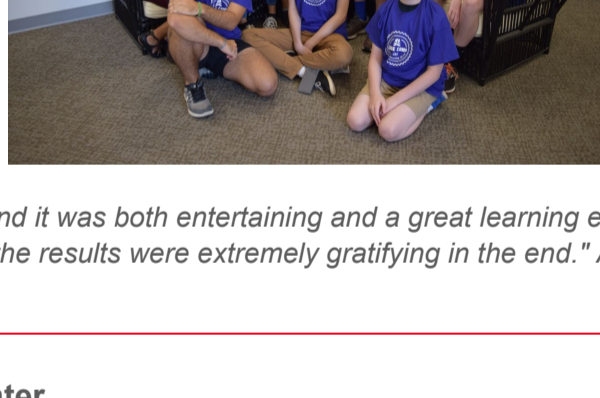

Our Leadership Profile series is brought to you by [Charleston Southern University](#) and [Charleston County Economic Development](#).

## TALENT

### CODEcamp Kids - CS Upstart Summer Camp Recap

We had three successful weeks of [CODEcamp Kids](#) in July, which included one week of Robotics and Hardware Programming and two weeks of Intro to Web Development. Thanks to CDC members, investors, and proceeds from the annual [iFiveK](#), we were able to award 10 scholarships to underrepresented students and had a total of 37 attendees.

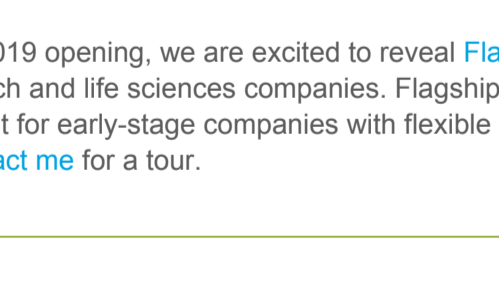

"I enjoyed the activities and it was both entertaining and a great learning experience. Robotics was a challenge at first, but the results were extremely gratifying in the end." Ashley W., 14 years old

## SPACES

### Charleston Tech Center

We are rolling at the [Charleston Tech Center](#). You can a learn real time updates by viewing our [construction cam](#) and also on our website [homepage](#). To learn more or lease an office at the CTC, [contact me](#).

### Flagship - WestEdge

Scheduled for a December 2019 opening, we are excited to reveal [Flagship - WestEdge](#), an 8,000 sq. ft space exclusively for tech and life sciences companies. Flagship - WestEdge is a brand new, modern business environment for early-stage companies with flexible lease terms and reasonable pricing. [Learn more](#) and [contact me](#) for a tour.

## CAPITAL

### Capital Update

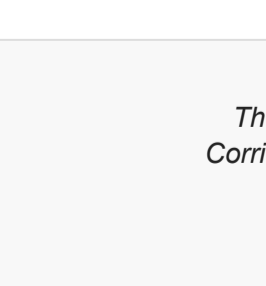

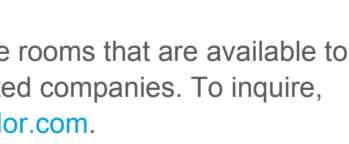

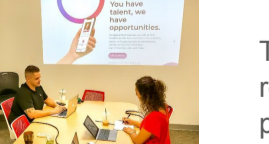

Charleston's tech companies continue to raise capital to drive growth. To date, Flagship companies in residence and graduates have raised over \$260 million.

Join the inaugural half-day [Charleston Venture Conference](#), showcasing entrepreneurs and investors in Charleston and the Southeast, on November 12th at The Dewberry in downtown Charleston.

## Did You Know?

Charleston ranks 8th 'most dynamic' metro area for medium metros and #42 overall, according to [Walton Family Foundation](#).

## Thanks to Our Partners

The [Flagship - Bridge](#) has two conference rooms that are available to rent by our members and other tech-related companies. To inquire, please email [info@charlestondigitalcorridor.com](mailto:info@charlestondigitalcorridor.com).

*Thank you for your continued support of the Charleston Digital Corridor. Our success is a reflection of our terrific engagement and collaboration. Continued success!!*  
- Ernest Andrade, Director
