- Business Formation: What legal entity is best for my company?
- Intellectual Property: How are you protecting your IP?
- Business Ownership: How are your protecting your business equity?
- Raising Capital: Don't get tripped up by securities laws
- Cyber Security: Know the evolving compliance rules and litigation risks
- Startup Legal Services: Explore different models of startup legal services

About your presenter

Steve Britt is a highly experienced corporate & technology attorney who has been working with start-ups since the early internet days (mostly in Tysons Corner, VA) and has specialized in data privacy the past 6-7 years. Since April 2020, he serves as Counsel for Cyber, Data Privacy & Technology at Parker Poe Adams & Bernstein LLP, a regional law firm with approximately 275 attorneys across eight offices (including D.C. & Atlanta). Steve holds 2 international data privacy certifications from the IAPP – the Certified Information Privacy Professional/Europe (CIPP/E) and the Certified Information Privacy Manager (CIPM) certifications. Connect with Steve on [LinkedIn](#).
