NEWS + NOTES

Now that fall is upon us, it's time to celebrate. How you ask? The **8th Annual Corridor Bash**—a casual gathering of friends working in Charleston's growing knowledge economy. This limited-attendance event is held at the **Maritime Center** on the Charleston Harbor and is a good time to catch up and network with colleagues. This event is sponsored by **Comcast Business Class**, **Belimed** and **CSS**. If you are interested in attending this event, please register **online** or contact **Harriett Lee** for more details.

Flagship2

Who would have thought? If you build it and they will come! Well, they did. In less than three months after opening, FS2 is fully occupied. What is notable against the current economic backdrop is that of the **seventeen businesses** at FS2, nine companies are new to both Charleston and the state of South Carolina. Further, thanks to our extremely talented designer, **Jacob Lindsey**, we received coverage in **Fast Company**, and thanks to FS2 resident, **Fanzter**, we got some coverage on **Connecticut WNPR**. We will continue to leverage our programming and facilities for some exciting new experiments—**stay tuned**.
