NEWS + NOTES

It is Spetember 11th. Take a moment to reflect before you read on. NOW, Lets Roll! It is almost Fall. Labor Day is behind us! Kids are back in school! Time to get back to work, to learn and to play. Our companies **continue to hire** for great positions. **CODEcamp classes**, start next week and the **Corridor BASH** is set for October 24th. Go ahead and get engaged.

"2013 Inc. 500"

Three of our member companies have brought great honor and economic prosperity to our community, **Blue Acorn**, **BoomTown** and **SPARC** by being named to the 2013 Fastest Growing Companies List. This is fantastic, considering some thought this internet thing was a fad (present company excluded). Psst...You can catch Blue Acorn CEO, Kevin Eichelberger, at the next Fridays @ the Corridor.

CODEcamp v.2

We have been tinkering with CODEcamp to make it better based on the input of the 187 students who participated in the first year and a newly formed advisory group from our tech companies. Now, we have classes for, **Beginners** as well as **Pros**. Our demand-driven classes start next week so if you have not signed up and want to dip your toe in the water or learn something new, go ahead and **sign up**. Next up, apprenticeships at Digital Corridor tech companies for top performing students. Special thanks to the technologists from our CDC member companies who are committed to sharing their craft. **In case you missed it, come out to our Open House tomorrow, Thursday, September 12 at the FS2 lounge from 5:30 - 7:00 pm.**

Corridor BASH

It is that time again! Yes, it is the **10th Annual Corridor BASH**, a time to hang out on the waterfront, enjoy some BBQ and oysters and a cold beverage or two with friends and co-workers from the tech community. Fact: This is Charlestons only mandatory no-tie affair. Tickets are limited so get yours **here and now**.

Flagship3 Update

Morrison Drive in Downtown Charleston is hot . . . and getting hotter! The City has closed on the land at 999 Morrison Drive for what will soon become **Charleston's coolest office** building dedicated only for occupancy exclusively by tech companies. If you like the **Flagship and FS2**, you will love the new building. We are in planning mode at the moment for a building tentatively scheduled for late summer 2015. If you would like to make this 21st century landmark a home for your company or have questions, **ping me**.

Charleston Videos Encore

I love these videos. Just in case you missed it the first time around, you have to see these videos featuring the CEOs at **PeopleMatter**, **BoomTown** and **Good Done Great** and all in their own words. Who should we feature next? **Let me know.**

NEW MEMBER COMPANIES

The Digital Corridor is honored to serve the following companies who are accelerating Charlestons knowledge economy:

Clutch Ltd. Co. is a development shop that specializes in Android and creates mobile apps that are beautiful and fun to use.

OnePoint Global is a leader in mobile survey technology optimized from simplistic phones to the latest models of smart phones, where surveys can maximize the full functionality of the handset.

Small Footprint is a software innovation company that helps their clients envision, develop, deploy and maintain innovative software and software-enabled products and services. Their global staff of professionals works collaboratively with their clients to create value through software innovation.

Cloud Support delivers the platforms and services businesses need to take advantage of the cloud revolution.

LEWIS Pulse has built a reputation as one of the fastest-growing global PR agencies in the world. The company's digital marketing team, delivers branding and strategy, design, web development, video production, social media marketing, search engine optimization and search engine marketing. Charleston is home to the design, development and video team.

STAY INFORMED

If you are interested in keeping up with happenings at the Digital Corridor, you can get timely updates by following us on **Twitter** or **Facebook**. You just might get insights and tidbits not found in other news outlets.

THANK YOU

Finally, thank you for your continued support of the Charleston Digital Corridor. Our success is a reflection of the terrific engagement and collaboration we have received from you. **Stop by** and see us. Continued success!!

Sincerely,

Ernest Andrade
